Respected Engineer,

Nepal Engineers' Association (NEA) has decided to celebrate 55th Engineers' Day on July 18, 2017 as usual. NEA is going to publish a souvenir with an objective to share and archive the history of the association on the auspicious occasion. We, kindly request you to send us your articles including experience, papers, photos or other relevant items in the following address by July 4, 2017 via e-mail (info@neanepal.org.np) or post in order to include in the souvenir.

The papers are expected to address (but not limited to) the following issues:

1. Concerns that motivated engineers and roles of engineers to establish NEA and its history;
2. The steps since establishment of NEA till the current operation from Engineers' Building, Pulchowk;
3. Roles of engineers and organizational participation of NEA for political changes that took place in the nation;
4. Role of engineers in the economic prosperity, infrastructure and development of Nepal; and
5. Starting and history of engineering education in Nepal.

Regards,

Er. Anuradha Sharma Adhikari
